

Parking in the garage at Central UMC

Our address is 4201 Fairfax Drive, Arlington, VA 22203.

We are at the corner of Fairfax Drive and Stafford Street.

As you drive west on Fairfax Drive after you cross Stafford Street you will turn right onto the driveway located between the CUMC/Unity Homes building and the First Down Sports Bar.

If you are coming from Rt. 66 you will be driving east on Fairfax Drive. It is not legal to make a U-turn at Fairfax Drive and Stafford Street, and there is no way to turn left into our driveway. So, the easiest route is to turn left onto Glebe Road; turn right onto 11th Street; turn right onto Stafford Street; turn right onto Fairfax Drive and then turn right onto the driveway located between the CUMC/Unity Homes building and the First Down Sports Bar.

There is an entrance to the underground garage on the right side of this driveway. If the garage entrance is not already open please ring the intercom button for the church which will enable us to open the garage for you.

Park in any spot marked for the church (don't worry about needing a permit on Sundays) and follow the signs to the church elevator.

The maps on the next page will help you visualize the layout of our property.
